SOUTHAMPTON ESTATES

Second Hand Rose Boutique - Circle of Loving Kindness Member

Second Hand Rose Boutique, known as Rosie's Boutique, shares its name and history with Rose Holland, Southampton Estates resident from 2005 - 2019.

Rose had excellent intuition, recognizing that some residents could not easily spend time shopping for clothes while others had quality clothing to donate. She created Second Hand Rose Boutique, which today includes its very own dressing room!

As the shop got busier, fellow residents Grace Kurki, Nancy Baird, Bette Huslin and Sue Kiry volunteered to carry on Rose's legacy. Today they keep the boutique filled with stylish fashions, making it a shopping destination.

To date, Second-Hand Rose has contributed over \$10,000 to Southampton Estates through Acts Legacy Foundation, earning them membership in the Circle of Loving Kindness. Thank you Rose, Grace, Nancy, Bette and Sue for all of your efforts and contributions in support of your community.
