BAYLEIGH CHASE

Charitable Gift Annuitant ensures comfort and care for Bayleigh Chase families.

When her husband needed care in WillowBrooke Court, Anne Neary spent countless hours by his side. During that time, she recognized an opportunity to enhance the comfort of the short-stay rooms for other families facing similar journeys. Determined to make a difference, Anne partnered with Bayleigh Chase leadership to develop a thoughtful enhancement plan.

As a first step, Anne arranged her personal gift through a charitable gift annuity with **Acts Legacy Foundation**. This type of gift allowed her to support a project she deeply believed in while receiving lifetime annuity payments. Secondly, Anne became a driving force behind the fundraising efforts, rallying her neighbors and friends to support the cause.

Thanks to Anne's vision, leadership, and generosity, WillowBrooke Court at Bayleigh Chase offers a more welcoming and comforting space for residents and their families.

Anne joined the Bayleigh Chase community in 2015. She was welcomed into the Foundation's **Circle of Loving-Kindness** in 2023. She served as Resident Council President and now serves on the Acts Communities of Maryland Board.

"It was important to me that other families felt supported and cared for during difficult times. I'm proud of what we accomplished together, and grateful that I could contribute in a way that honors my husband's memory while supporting this wonderful community."
