DISCLOSURE STATEMENT

This Disclosure Statement is provided to prospective residents of Fairhaven.

1. NAME AND ADDRESS OF THE COMMUNITY.

Acts Communities of Maryland, Inc. operates a continuing care retirement community known as Fairhaven (hereinafter called "Fairhaven"). Fairhaven is located at 7200 Third Avenue, Sykesville, Maryland 21784.

2. NAME AND ADDRESS OF THE LICENSED PROVIDER.

The provider is Acts Communities of Maryland, Inc. (hereinafter called "Acts MD"), a Maryland nonprofit corporation. The business address of Acts MD is 420 Delaware Drive, P.O. Box 2222, Fort Washington, PA 19034.

3. ORGANIZATIONAL STRUCTURE AND RELIGIOUS AFFILIATION.

Acts MD, a Maryland nonprofit corporation and provider of Fairhaven, is affiliated with ACTS Retirement-Life Communities, Inc. ("Acts"), a Pennsylvania nonprofit corporation, which is affiliated with other nonprofit organizations with similar missions and purposes to serve senior adults. Acts MD, Acts and these affiliate organizations, which include ACTS Retirement Services, Inc., ACTS Legacy Foundation, Inc., ACTS Management Services, Inc., ACTS Acquisition and Development Company, LLC, Acts Construction Services, LLC, ACTS Retirement-Life Communities Management, LLC, Acts Alliance Management, LLC, Mease Life, Inc., and Bonita Springs Retirement Village, Inc. d/b/a The Terraces at Bonita Springs are organizations described in Section 501(c)(3) of the Internal Revenue Code of 1986 (the "Code") and are exempt from federal income taxes on their exempt income pursuant to Section 501(a) of the Code. Acts Community at Heritage Farms, Inc., also an affiliate of Acts, is a 501(c)(3) nonprofit corporation and has applied for federal income tax exemption. Acts and its affiliates are not responsible for the financial and contractual obligations of Acts MD. Gerald T. Grant serves as the Chief Executive Officer of Acts and its affiliates, including Acts MD. Acts MD is governed by a separate Board of Directors appointed by ACTS Acquisition and Development Company, LLC, a controlled affiliate of Acts, as its sole corporate member. Acts MD is not affiliated with any other religious, fraternal, or charitable organizations. Acts' business address is 420 Delaware Drive, P.O. Box 2222, Fort Washington, PA 19034.

4. NAME, ADDRESS AND TELEPHONE NUMBER OF THE PERSON TO BE CONTACTED FOR ADMISSION INFORMATION.

Admission information for Fairhaven can be received by contacting a Life Care Consultant at (443) 398-3126.

5. DESCRIPTION OF THE PHYSICAL PROPERTY AND THE COMMUNITY.

Fairhaven is situated on approximately 51 acres and is located in southern Carroll County, Maryland. The community and the land on which it is located is owned by Acts MD. The campus is surrounded by farmlands and woods, but is part of a suburban setting, located just thirty minutes from Baltimore and forty-five minutes from Washington, D.C.

Fairhaven consists of 303 residential living units comprised of single-story cottages, villas, and an apartment building with some underground parking. The residences range from one bedroom apartments to two bedroom with den apartments, and from one bedroom cottages to deluxe two bedroom cottages with gallery. The villas are comprised of one-story units and units with full walkout basements. Most residences are connected by covered hallways to the Beasman Center, Uplands, and Aspen.

The Beasman Center includes administrative offices, three restaurants, lounge, performing arts space, Bistro, gift shop, the Little Market, library, beauty and barber shops, wood working shop, ceramics studio, craft room, fitness center, photography lab, computer lounge, and a music practice and game room. Uplands, located at the main entrance to Fairhaven, houses newly renovated apartments on the upper two floors and office space for social services and medical staff, meeting rooms, and the Wellness Center. The Wellness Center consists of examination rooms and offices for specialized medical services to support residential living. The Health Center contains a comprehensive care center currently licensed for up to 69 beds and 35 assisted living beds. The Aspen contains office space, a restaurant, lounge, card room and a pool room. The Courtyard Building contains an art studio and a meeting room. An indoor heated swimming pool, whirlpool, greenhouse, solarium, par-three three-hole golf course, putting green, gardening plots, pickle ball court, and a two-mile nature trail are also located on Fairhaven's campus.

6. MINIMUM AGE FOR ADMISSION.

The minimum age for occupancy is 62 years.

7. STATEMENT OF RESIDENT POPULATION.

As of December 31, 2025, 314 of the residential living units, comprehensive care beds, and assisted living beds were occupied with a total current population at Fairhaven of approximately 380 residents.

Per the requirements of §10-427(a)(1) of the Maryland Code, at least one full and regular member of the Board of Directors of Acts MD must be a resident of Fairhaven, Buckingham's Choice, Bayleigh Chase, or Heron Point of Chestertown, the communities located in Maryland for which Acts MD serves as the provider. Each such Board member is to be selected according to the same written standards and criteria used to select other Board members, except that prior to the resident Board member officially joining the Board, the Board (or the member) is to confer with the Resident Association. Currently, one resident from both Fairhaven and Bayleigh Chase serve as a full and regular member of the Acts MD Board.

The process for appointing a resident to the Board is as follows:

The Board members of Acts MD are elected by ACTS Acquisition and Development Company, LLC, Acts MD's sole corporate member, based on established criteria. The criteria currently includes sympathy to the mission of Acts MD, related professional and business experience, previous experience serving on a Board and understanding the fiduciary relationship to the Board. Potential residents are interviewed by Officers and/or Directors to narrow down the selection. Prior to the resident officially joining the Board, a representative of the Board or member will confer with representatives of the residents' association.

Acts MD has no officer, director, trustee, managing or general partner, or person with a 10% or greater equity or beneficial interest in the provider.

9. CRIMINAL VIOLATION STATEMENT.

No officer or director has been convicted of a felony or pleaded nolo contendere to a felony charge or has been held liable or enjoined in a civil action by final judgment for any felony or civil action involving fraud, embezzlement, fraudulent conversion, or misappropriation of property. No officer or director is currently subject to an injunctive or restrictive court order. None have had any state or federal license or permit suspended or revoked during the last ten years as a result of an action brought about by a governmental agency or department that arose out of or related to the business activity of health care including actions affecting a license to operate any facility or service for aging, impaired, or dependent persons.

10. NAMES AND ADDRESSES OF ANY DIRECTORS, OFFICERS, MANAGERS, ASSOCIATED CORPORATIONS OR PROFESSIONAL SERVICE FIRMS PROVIDING GOODS, LEASES OR SERVICES TO THE COMMUNITY OF A VALUE OF \$10,000 OR MORE WITHIN ANY ONE YEAR.

Acts MD has no directors, officers or managers who own an interest in or receives any remuneration from, either directly or indirectly, any professional service firm, association, trust, partnership, or corporation providing goods, leases, or services to Acts MD with a real or anticipated value of \$10,000 or more in any one year.

11. DESCRIPTION OF THE BUSINESS EXPERIENCE OF THE PROVIDER AND ITS DIRECTORS IN THE OPERATION OR MANAGEMENT OF LIFECARE COMMUNITIES.

Acts MD is an affiliate of Acts, which has extensive experience in the ownership of lifecare communities and currently owns or is affiliated with the lifecare communities in Pennsylvania, New Jersey, Delaware, Maryland, North Carolina, South Carolina, Georgia, Alabama and Florida that are listed below:

Fort Washington Estates (PA)	Bayleigh Chase (MD)

12. **SERVICES PROVIDED OR PROPOSED TO BE PROVIDED UNDER CONTRACTS FOR CONTINUING CARE AT THE COMMUNITY INCLUDING THE EXTENT TO WHICH MEDICAL CARE IS FURNISHED.**

A summary of the services included and not included in the monthly fee are listed in Exhibit A.

13. **DESCRIPTION OF ALL FEES REQUIRED OF RESIDENT INCLUDING THE ENTRANCE FEE AND PERIODIC CHARGES, IF ANY.**

Resident Contract Effective January 14, 2020 and after:

Fairhaven currently offers three types of agreements for residents, a fully declining life care contract (Type A), a fifty percent (50%) refundable life care contract (Type A), and a “modified” contract (Type B), all of which involve an entrance fee and monthly fees.

Under the terms of the fully declining life care contract (Type A), the entrance fee and monthly fees entitle the resident to lifetime occupancy of a living accommodation in a

residential, assisted living or skilled/comprehensive care unit based on need. There is no increase in the monthly fee as a result of the need for a higher level of care. The entrance fee, less an administrative fee (equal to five percent (5%) of the entrance fee), is amortized at a rate of two percent (2%) per month for each month, or fraction thereof, that resident occupies an independent living residence and at a rate of four percent (4%) per month for each month, or fraction thereof, that resident occupies a living accommodation in assisted living or skilled/comprehensive care. After the period of amortization, which shall be at most fifty (50) months, there is no refund of the entrance fee. Refunds are contingent upon the resale of the resident's independent living unit or as otherwise specified in the Resident Contract.

Under the terms of the fifty percent (50%) refundable life care contract (Type A), the entrance fee and monthly fees entitle the resident to lifetime occupancy of a living accommodation in a residential, assisted living or skilled/comprehensive care unit based on need. There is no increase in the monthly fee as a result of the need for a higher level of care. The entrance fee is amortized at a rate of two percent (2%) per month for each month, or fraction thereof, that resident occupies an independent living residence and at a rate of four percent (4%) per month for each month, or fraction thereof, that resident occupies a living accommodation in assisted living or skilled/comprehensive care. After deducting an administrative fee (equal to five percent (5%) of the entrance fee), and once forty-five percent (45%) of the entrance fee has been amortized, amortization of the remaining entrance fee shall cease. Refunds are contingent upon the resale of the resident's independent living unit or as otherwise specified in the Resident Contract.

Under the terms of the "modified" contract (Type B), the entrance fee and monthly fees also entitle the resident to lifetime occupancy of a living accommodation in a residential, assisted living or skilled/comprehensive care unit based on need, but there is a change in the monthly fee as a result of the need for a higher level of care. Once a resident is relocated either on a temporary basis for more than two months or on a permanent basis to either assisted living or skilled/comprehensive care, the monthly fee increases to the stated assisted living or skilled/comprehensive health care center rate. The entrance fee, less an administrative fee (equal to five percent (5%) of the entrance fee), is amortized at a rate of two percent (2%) per month for each month, or fraction thereof, that resident occupies an independent living residence and at a rate of four percent (4%) per month for each month, or fraction thereof, that resident occupies a living accommodation in assisted living or skilled/comprehensive care. After the period of amortization, which shall be at most fifty (50) months, there is no refund of the entrance fee. Refunds are contingent upon the resale of the resident's independent living unit or as otherwise specified in the Resident Contract.

The portion of the entrance fee to be refunded after the date of occupancy, if any, is not held in trust or escrow for the benefit of Resident after the date of occupancy. Carefully read the Resident Contract for the conditions that must be satisfied before Acts MD is required to pay the entrance fee refund.

CAREFULLY READ THE CONTINUING CARE AGREEMENT FOR THE CONDITIONS THAT MUST BE SATISFIED BEFORE ACTS MD IS REQUIRED TO

PAY THE ENTRANCE FEE REFUND.

Exhibit B, attached, lists the entrance and monthly fee plans for the current contracts offered at Fairhaven. Entrance fees are subject to change without notice, and monthly fees are subject to change with sixty (60) days prior written notice (in accordance with the terms of the resident contract).

Residence and Care Agreements Effective Prior to January 14, 2020:

Fairhaven previously offered two types of entrance fees under both Type A and Type C agreements – one that amortized over a period of fifty (50) months at the rate of two percent (2%) per month (or fraction of a month) and one that was 90% refundable. Under the Type A agreement, the amortization rate was four percent (4%) per month (or fraction of a month) if admission was directly into assisted living or comprehensive care. The amount of the entrance fee varied with (i) the type of agreement chosen (i.e. Type A or Type C), (ii) whether an amortizing or refundable entrance fee was chosen, (iii) the size of the unit, and (iv) whether there were one or two persons to receive benefits under the residence and care agreement. The amount of the monthly fee varied with (i) whether there were one or two persons receiving benefits under the residence and care agreement, and (ii) the size of the unit.

Under the terms of the Type A agreement that was in effect prior to January 14, 2020, there is no separate or additional charge when a resident relocates from a residential living unit to assisted living or comprehensive nursing care on either a temporary or permanent basis. Rather, upon relocation to assisted living or comprehensive care, the resident continues to pay the same monthly fee as was being paid in the apartment, cottage or villa last occupied by the resident.

Under the terms of the Type C agreement that was in effect prior to January 14, 2020, when a resident relocates to either assisted living or comprehensive nursing care on either a temporary or permanent basis, the resident pays for services received, including an occupancy fee calculated on a daily basis but stated on a monthly basis. In the instance that a temporary or permanent stay in assisted living or comprehensive care qualifies for Medicare reimbursement, residents under the Type C agreement will not be charged for those days eligible for Medicare reimbursement. In addition, Fairhaven will make available to the residents various other services on a fee-for-service basis. The Type C agreement provides resident access to the continuum of care available at Fairhaven.

14. HISTORY OF FEES.

The amount of the changes in all fees for each of the previous five (5) years is as follows:

	<u>2026</u>	<u>2025</u>	<u>2024</u>	<u>2023</u>	<u>2022</u>
<u>Monthly Fees:</u>					
Independent Living	3.90%	3.90%	4.65%	7.50%	4.50%
Assisted Living	3.90%	3.90%	4.65%	7.50%	4.50%
Comprehensive Care	3.90%	3.90%	4.65%	7.50%	4.50%
 <u>Entrance Fees:</u>					
Independent Living	5.80%	4.00%	4.75%	5.00%	2.50%
Assisted Living	5.80%	4.00%	4.75%	5.00%	5.00%
Comprehensive Care	5.80%	4.00%	4.75%	5.00%	5.00%

15. OPERATING RESERVE REQUIREMENT.

Acts MD maintains reserves that have been designated by the Board of Directors for specific purposes. These reserves are the property of the corporation and are used at the discretion of the Board of Directors. The corporation employs an investment advisor who selects and monitors various managers guided by an investment policy. The investment policy is reviewed at a minimum on an annual basis by management and the investment advisor.

The operating reserve requirement for the fiscal year ending December 31, 2025 was \$21,088,000 based on the following calculation using audited financial statements for the fiscal year ending December 31, 2025.

Operating Expenses	\$95,434,000
Less: Depreciation & Amortization	11,032,000
Less: Deferred financing costs amortized through interest expense	<u>50,000</u>
Total	\$84,352,000
25.0% of Total (requirement)	\$21,088,000

As of December 31, 2025, the operating reserve requirement is fully funded, with total combined cash and cash equivalents and investments without donor restrictions of \$22,219,000.

16. LONG-TERM FINANCING.

The Series 2020A Bonds are tax-exempt fixed rate bonds with a coupon rate of 5.00% and principal maturing in varying amounts from 2028 to 2049.

The Series 2020B Bonds are taxable fixed rate bonds with a coupon rate of 3.30% and principal maturing in varying amounts from 2022 to 2027.

17. RENEWAL AND REPLACEMENT FUND.

Acts MD is committed to allocating resources to address building and equipment repair and replacement as well as new community improvements at Fairhaven. A percentage of annual entry fees have been allocated towards the capital budget. Acts MD also has access to a working capital line of credit provided by Acts to assist in funding certain repair/maintenance and capital projects.

18. ANTICIPATED EXPANSION OR DEVELOPMENT.

The WillowBrooke Court skilled nursing and OakBridge Terrace assisted living pantries, dining room, and corridor repositioning projects were completed in 2025. Renovations of the lower level of the Beasman Center are ongoing with the Salon and Fitness Room completed and the Aerobics Room nearing completion. Pool renovations are also underway including the raising of the bottom of the pool to make it more shallow and installing a new heating and dehumidification unit. No new independent living units are planned at this time.

19. CERTIFIED FINANCIAL STATEMENTS OF THE PROVIDER.

Attached hereto as Exhibit C are certified financial statements for Acts MD as of December 31, 2025.

20. CASH FLOW FORECAST.

Attached hereto as Exhibit D is a cash flow forecast for the current and next two fiscal years for Acts MD.

21. QUARTERLY MEETINGS.

Acts MD will satisfy the requirements of the Code of Maryland Regulations (“COMAR”) 32.02.01.21C.(21) and Maryland Code, Human Services Article (“HSA”) §10-426 for the quarterly meetings with residents of Fairhaven as required by COMAR 32.02.01.19A and HSA §10-425(a)(8).

22. ROLE OF RESIDENT ASSOCIATION.

The role of the Fairhaven Residents Association is to; a) promote and further the common interests of the residents in creating a healthful, enjoyable, and useful community life, b) communicate and cooperate with the executive director and staff of Fairhaven and c) to elect a resident council to act on behalf of the association.

23. DESCRIPTION OF INTERNAL GRIEVANCE PROCEDURE.

Fairhaven has established an internal grievance procedure to address resident grievances. A Resident or a group of residents collectively may submit a grievance in writing to the executive director, Fairhaven, 7200 Third Avenue, Sykesville, MD 21784. Fairhaven will send a written acknowledgement to the Resident or group of residents within five (5) days after receipt of the written grievance. Fairhaven will assign personnel to investigate the grievance. A Resident or group of residents who file a written grievance are entitled to a meeting with management of Fairhaven within thirty (30) days after receipt of the written grievance, in order to present the grievance. Fairhaven will provide a response in writing within forty-five (45) days after receipt of the written grievance as to the investigation and resolution of the grievance.

Within thirty (30) days after Fairhaven provides its response to the grievance, a Resident, group of residents, or Fairhaven may seek mediation through one of the community mediation centers in the State or another mediation provider. If a Resident, group of residents, or Fairhaven seeks mediation under the preceding sentence, the mediation shall be nonbinding.

24. AMENDMENT OF DISCLOSURE STATEMENT.

Acts MD will amend this disclosure statement if at any time, in the opinion of Acts MD or the Maryland Department of Aging, an amendment is necessary to prevent the disclosure statement from containing any material misstatement of fact or omission of a material fact.

EXHIBIT A

Summary of Services Included and Not Included in Monthly Fee

After a resident has established financial and medical qualification and enters into a Resident Contract, in consideration of the payment of the entrance fee and monthly fee, Fairhaven agrees to provide lifetime living accommodations in an accommodation designated for the resident, assisted living services, comprehensive nursing care services, meal service, and the services discussed below. The residents' rights under the Resident Contract are not proprietary and do not include any right, title or interest in the real or personal property of Fairhaven, nor does any resident have the right to transfer, convey, assign or devise his or her rights under the Resident Contract. The residents' rights are primarily for services, with a contractual right to occupancy.

Fairhaven is a full-service continuing care retirement community. Below is a summary of the services both included and not included in the monthly fee.

In addition to the entrance fee established for the type of living accommodations, Fairhaven reserves the right to make additional charges to certain residents at the time of execution of the Resident Contract for special conditions of such residents at the time of entry. Fairhaven reserves the right to make an additional charge (“Surcharge”) to a resident if the resident will be under age sixty (60) on the occupancy date. This Surcharge is not part of the entrance fee refund required in Title 10, Section 10-448 of the Continuing Care Act.

The Resident Contract provides that a resident is to receive one meal per day in exchange for the monthly fee. Additional meals will be available on a fee-for-service basis. Resident will receive three meals per day in assisted living and skilled/comprehensive care and will be separately charged, and responsible to pay, for the two additional meals. A resident who is away from Fairhaven for a period of fourteen (14) days or more may receive an away credit towards his or her monthly fee.

Under the Resident Contract, at the time it is determined that a resident of Fairhaven for medical reasons will transfer, on a permanent basis, to the assisted living residence for assisted living care or to the health center for comprehensive care, the monthly fee continues at the same rate as that applicable to the type of residential living unit last occupied by the resident.

Assisted Living at Fairhaven

The name and address of the assisted living facility located at Fairhaven is OakBridge Terrace at Fairhaven, 7200 Third Avenue, Sykesville, MD 21784-7553. In addition to OakBridge Terrace at Fairhaven, Acts MD operates the following assisted living facilities.

OakBridge Terrace at Heron Point
501 East Campus Avenue
Chestertown, MD 21620-1696

OakBridge Terrace at Buckingham’s Choice
3200 Baker Circle
Adamstown, MD 21710-9653

OakBridge Terrace at Bayleigh Chase
56 Cynwood Drive
Easton, MD 21601-3864

There have been no changes to the assisted living programs at any of the assisted living facilities operated by Acts MD.

As part of its continuum of care, Fairhaven offers a program of assisted living. OakBridge Terrace at Fairhaven is an assisted living facility that contains 35 assisted living beds and is licensed to provide three levels of care in the assisted living program. Services provided in the Fairhaven assisted living program are provided in accordance with the terms of the Resident Contract. Assisted living units are currently found on the ground floor of the Health Care Center building. Fairhaven has a Residential Services Agency license. Fairhaven is able to provide additional services to residents living in cottages and apartments. Maryland law requires certain additional information to be set forth regarding a continuing care retirement community's assisted living program, as set forth below.

Special Programming

While Fairhaven provides significant training to its staff in order to provide the highest quality of care, Fairhaven does not offer on-site special programming for assisted living residents with particular needs or conditions.

Security

Residents and their property are kept secure through a variety of ways. The assisted living unit has a centrally located nursing station which is staffed by nursing personnel twenty-four hours per day, seven days a week. The unit is also monitored by security officers who make rounds and are available twenty-four hours per day.

Doors to resident rooms may be locked and the residents given a door key should this be requested. A master key is kept by the charge nurse so there is always access to a locked room. Every resident is provided a nightstand that can be locked. Residents also may request that valuables be secured in a locked safe by the Security department.

As provided in the Resident Contract, Fairhaven has the right to enter residents' assisted living accommodations to carry out the intent of that agreement, including performance of housekeeping duties, response to medical alert system, response to fire alert system, entry in the event that a resident is reported missing or not having responded to a call, and maintenance procedures. Fairhaven recognizes each resident's right to privacy and therefore limits its entry to living accommodations to legitimate emergencies and, on notice, for routine housekeeping and maintenance services.

Health Status Monitoring

As the provider, Fairhaven is responsible for monitoring the health status of the assisted living residents. Fairhaven also has the primary responsibility for determining the cost of and purchasing durable medical equipment.

Residents are responsible for arranging for or overseeing their care and for contracting for services not otherwise included in the monthly fee. This includes equipment and supplies.

Residents who have a long-term care insurance policy should request their advisors to review the policy and the residence and care agreement to determine whether there are potential areas of duplication or areas where benefits can be coordinated.

EXHIBIT B

CURRENT FEES

The following pages comprise the entrance fees and monthly fees for the resident contracts currently offered at Fairhaven as described in Section 13 of this disclosure statement. There are three different price plans from which residents may choose when selecting the fully declining life care contract (Type A), the Acts Life Care Premier Plan, the Acts Life Care Asset Preservation Plan, and the Acts Life Care Income Preservation Plan. There is one price plan associated with the fifty percent (50%) refundable life care contract (Type A), the Acts Life Care 50 Plan, and one price plan associated with the “modified” contract (Type B), the Acts Balanced Plan.

Note that the entrance fees are subject to change without notice, and monthly fees are subject to change with sixty (60) days prior written notice (in accordance with the terms of the Resident Contract). Carefully read the Resident Contract for the conditions that must be satisfied before Fairhaven is required to pay an entrance fee refund.

Fairhaven Signature Pricing

To fit your individual goals, preferences, and budget, Acts offers a variety of affordable financial options that are designed to accommodate your income, asset and insurance situation. Each individual residence is priced to reflect the many attributes of that particular residence. Your Life Care Consultant will help you decide on the location and pricing plan that best suits your preferences. Pricing plans include:

Acts Balanced Plan

Acts Balanced Plan is for those who wish to pay a lower entrance fee and assume the risk of higher health care costs should they need it. Though entrance fees are lower, all Balanced Plan residents will pay the same health care rate at the time of needing a higher level of care. This health care rate may be substantially higher than that of the monthly rate offered as part of Acts Life Care Premier pricing plan and other pricing plans.

Acts Life Care® Premier

The most popular of the Acts financial options, Acts Life Care Premier features an entrance fee and monthly fee that secure your residency at an Acts community. With Acts Life Care, monthly fees will never increase solely as a result of needing a higher level of care. The entrance fee (less an administrative fee) amortizes over a 50-month period with the unamortized balance returned to you or your estate should you no longer reside at the community during that period.

Acts Life Care 50

Acts Life Care 50 offers a refund of 50% of the net entrance fee for those who wish to provide a financial legacy. Under this plan, the entrance fee (less an administrative fee) amortizes over a 25-month period, with the balance being returned to you or your estate when your period of occupancy ends.

Under the terms of the Balanced Plan, residents pay a lower entrance fee and current Balanced Plan monthly fee during their time in independent living. If they later require care in OakBridge Terrace or WillowBrooke Court, they will pay the monthly health care center rate (for example the current 2026 rate is \$10,179 per month). When the resident transfers to a higher level of care, the health care center rate in effect at that time will apply.

Monthly Fee

The monthly fee includes:

Utilities/Taxes

Water, heat, electricity, air-conditioning, standard cable television, wireless internet, property taxes.

Maintenance

Repairs, maintenance and replacement of equipment, exterior cleaning, groundskeeping including lawn service, snow removal from company property.

Personal Services

One chef-prepared meal for each day of the month (additional meals available), recreation program catering to a wide spectrum of interests, 24-hour security, 24-hour access to a resident nurse, nurse practitioner, medical alert system, monthly light housekeeping, annual apartment inspection and cleaning, scheduled local transportation, access to either personal or shared laundry facilities, additional storage.

- Entrance fees are effective November 1, 2025. Monthly fees are effective January 1, 2026. Pricing is subject to change without notice. Upon occupancy, the company provides 60-days notice prior to changes in the monthly fee, health care center rate or other ancillary charges.
- Entrance fee becomes firm upon payment of 10% of the current entrance fee and execution of the Resident Contract.
- During the first 90 days of occupancy the entrance fee is 100% refundable for any reason.
- After the 90th day of occupancy, the refund will be calculated by amortizing the entrance fee (minus a 5% administrative fee) by 2% for each month of occupancy in the independent living residence, and by 4% for each month of occupancy on a permanent basis in the Assisted Living or Skilled Care Centers. At the end of the period of amortization, which shall be at most 50 months, there will be no refund.
- Specific terms and conditions apply. Please refer to Resident Contract and Disclosure Statement.

Fairhaven Signature Pricing

To fit your individual goals, preferences, and budget, Acts offers a variety of affordable financial options that are designed to accommodate your income, asset and insurance situation. Each individual residence is priced to reflect the many attributes of that particular residence. Your Life Care Consultant will help you decide on the location and pricing plan that best suits your preferences. Pricing plans include:

Acts Balanced Plan

Acts Balanced Plan is for those who wish to pay a lower entrance fee and assume the risk of higher health care costs should they need it. Though entrance fees are lower, all Balanced Plan residents will pay the same health care rate at the time of needing a higher level of care. This health care rate may be substantially higher than that of the monthly rate offered as part of Acts Life Care Premier pricing plan and other pricing plans.

Acts Life Care® Premier

The most popular of the Acts financial options, Acts Life Care Premier features an entrance fee and monthly fee that secure your residency at an Acts community. With Acts Life Care, monthly fees will never increase solely as a result of needing a higher level of care. The entrance fee (less an administrative fee) amortizes over a 50-month period with the unamortized balance returned to you or your estate should you no longer reside at the community during that period.

Acts Life Care 50

Acts Life Care 50 offers a refund of 50% of the net entrance fee for those who wish to provide a financial legacy. Under this plan, the entrance fee (less an administrative fee) amortizes over a 25-month period, with the balance being returned to you or your estate when your period of occupancy ends.

Independent Auditors' Report

To the Board of Directors of
Acts Communities of Maryland, Inc.

Opinion

We have audited the financial statements of Acts Communities of Maryland, Inc. (the Company), which comprise the balance sheets as of December 31, 2025 and 2024, and the related statements of operations and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and the results of its operations and changes in net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The combining information for 2025 on pages 24 to 28 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Restriction on Use

This report is intended solely for the information and use of the board of directors and management of the Company, and the Maryland Department of Aging and is not intended to be used and should not be used by anyone other than these specified parties.

Notes to Financial Statements
December 31, 2025 and 2024

1. Nature of Operations and Organizational Matters

Acts Communities of Maryland, Inc. (the Company) is a not-for-profit Maryland corporation, of which ACTS Retirement-Life Communities, Inc. (ACTS), a Pennsylvania not-for-profit corporation (through its wholly owned subsidiary ACTS Acquisition and Development Company, LLC), is the sole member. The Company provides residential, assisted living and skilled care services to senior adults in its four continuing care retirement communities (CCRCs), located in Maryland.

ACTS Management Services, Inc. (AMS) is a not-for-profit Pennsylvania corporation providing management, marketing and development services to senior living providers. AMS is the sole member of ACTS Retirement-Life Communities Management, LLC (ARLCM), a Pennsylvania limited liability company. AMS and ARLCM provide management, marketing and development services to the Company.

ACTS Retirement Services, Inc. is the sole member of ACTS and AMS.

2. Summary of Significant Accounting Policies

Cash, Cash Equivalents and Restricted Cash and Cash Equivalents

For purposes of the statements of cash flows, cash, cash equivalents and restricted cash and cash equivalents include working capital accounts invested in highly liquid instruments purchased with an original maturity of three months or less. The restricted cash and cash equivalents included in investments were comprised of debt related reserves. The following table provides a reconciliation of cash, cash equivalents and restricted cash and cash equivalents reported within the balance sheets that sum to the total of the same such amounts reported in the statements of cash flows.

	<u>2025</u>	<u>2024</u>
	(In Thousands)	
Cash and cash equivalents	\$ 7,375	\$ 5,569
Restricted cash and cash equivalents included in investments	<u>803</u>	<u>802</u>
Total cash, cash equivalents and restricted cash and cash equivalents	<u>\$ 8,178</u>	<u>\$ 6,371</u>

Investments and Investment Risk

Investments with readily determinable fair values are measured at fair value in the balance sheets. Investment income (including realized and unrealized gains and losses on investments, interest and dividends) is included in net operating income in the statements of operations and changes in net assets unless the income is restricted by donor or law. Interest income is measured as earned on the accrual basis. Dividends are measured based on the ex-dividend date. Purchases and sales of securities and realized gains and losses are recorded on a trade-date basis.

The Company's investments are comprised of a variety of financial instruments. The fair values reported in the balance sheets are subject to various risks including changes in the equity markets, the interest rate environment and general economic conditions. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the fair value of investment securities, it is reasonably possible that the amounts reported in the balance sheets could materially change in the near term.

Investments include assets without restrictions and assets with restrictions. Assets without restrictions represent assets that are available for the general use and purposes of the Company and assets that are used to meet statutory reserve requirements. Assets with restrictions include amounts held in trust to meet debt related requirements and amounts restricted by donors for specific purposes or time periods.

Accounts Receivable and Entrance Fee Receivables

The Company assesses collectability on all resident accounts prior to providing services. An allowance for expected credit losses is recognized to reduce accounts receivable to its net realizable value for impairment of revenues for changes in resident credit worthiness. The allowance is estimated by management based on factors such as aging of the accounts receivable and anticipated collection of the consideration. Accounts are written off through credit loss expense when the Company has exhausted all collection efforts and accounts are deemed impaired.

Entrance fee receivables are evaluated for collectability prior to residents being admitted to the communities based on the resident's credit worthiness. The terms and conditions of each entrance fee receivable are determined when a resident agreement is executed.

Accounts receivable, entrance fee receivables and other receivables, net were \$4,434,000 as of December 31, 2023.

Property and Equipment

Property and equipment are stated at cost. Donated assets are recorded at their fair value at the date of donation. Depreciation is computed using the straight-line method based on the following estimated useful lives:

Land improvements	10 to 25 years
Building and improvements	8 to 55 years
Furniture, fixtures and equipment	3 to 10 years

When assets are sold or retired, the asset values and related accumulated depreciation are eliminated from the accounts and any gain or loss is included in the statements of operations and changes in net assets. The cost of maintenance and repairs is charged to expense as incurred. Significant renewals and betterments are capitalized.

Gifts of long-lived assets such as land, buildings or equipment are reported as other revenue, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted contributions. Expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Depreciation expense was \$10,780,000 in 2025 and \$9,572,000 in 2024.

Interest is capitalized for assets that require a period of time to be constructed or to prepare them for their intended use. No interest was capitalized in 2025. The amount of interest capitalized was \$160,000 in 2024.

Goodwill

In connection with the recording of the assets and liabilities of Heron Point of Chestertown, Inc. (HP) in 2010 and the Company in 2019, the fair value of the assets was less than the fair value of the liabilities. As a result, goodwill of \$104,538,000 was recorded in connection with these transactions and allocated to each reporting unit. HP merged into the Company in 2022. As a result of this change in reporting structure, the goodwill previously assigned to HP's separate reporting unit of \$22,551,000 was assigned to the Company.

Goodwill is not amortized; instead, the Company evaluates goodwill for impairment on an annual basis or more frequently if indicators of impairment exist. In 2025 and 2024, the Company assessed qualitative factors (events and circumstances) to determine whether it was more likely than not (that is, a likelihood of more than 50%) that the fair value of the Company was less than its carrying amount, including goodwill. Based on the assessment of qualitative factors, the Company concluded that it was more likely than not that the fair value of the Company exceeded its carrying amount, including goodwill. Therefore, additional testing to identify potential impairment was unnecessary. As such, no impairment losses were recorded in 2025 and 2024.

Deferred Costs

Deferred costs include incremental costs of obtaining resident agreements that would not have been incurred if the resident agreements were not obtained and are recorded at cost. Deferred costs are amortized over the estimated life expectancy of the residents using the straight-line method, which approximates the period of time that services are expected to be transferred to residents. Amortization of deferred costs was \$252,000 in 2025 and \$214,000 in 2024.

Deferred Financing Costs

Deferred financing costs are amortized straight-line over the terms of the related debt, which approximates using the effective interest method and are classified net with the related debt. Amortization expense, which is included as a component of interest expense, was \$50,000 in 2025 and 2024.

Resident Monthly Fees Paid in Advance

The Company offers a discount to residents who pay the next year's monthly fees in advance and recognizes the fees as revenue when earned.

Entrance Fees

Under a continuing care contract (resident agreement) for a residential living unit, the Company receives entrance fee payments in advance. The Company offers both nonrefundable and refundable resident agreements. Under the nonrefundable resident agreements, residents who terminate their contracts will generally be entitled to a refund of the entrance fee less 2% of the entrance fee per month of residency. Under the refundable resident agreements, the entrance fee is reduced to no less than the guaranteed refund, as specified in the resident agreement, and refunds to residents are generally paid by the Company after a new resident occupies the residential living unit vacated by the former resident.

Acts Communities of Maryland, Inc.

Notes to Financial Statements
December 31, 2025 and 2024

The nonrefundable portion of entrance fees is amortized to revenue over the actuarially computed life expectancy of the residents using the straight-line method, which approximates the period of time that services under the resident agreements are expected to be transferred to residents and the Company's performance obligation to the residents is satisfied, and is classified as deferred revenue from entrance fees on the balance sheets. Amortization of nonrefundable entrance fees was \$20,184,000 in 2025 and \$15,543,000 in 2024. The Company updates its life expectancies approximately every five years. As a result, amortization of entrance fees increased by approximately \$1,812,000 in 2025.

The guaranteed refundable portion of entrance fees is classified as refundable portion of entrance fees on the balance sheets and is not amortized to revenue.

Under the Type A life-care contract, residential living residents are entitled to assisted living or skilled care services, as needed, with no increases in the current monthly service fees as a result of transferring to a higher level of care. Under the Type B residential contracts, residents receive 60 days of assisted living or skilled care services at the residential living rate. Type C contracts are considered fee-for-service contracts whereby residents pay the daily rate in assisted living or skilled care. As of December 31, 2025, approximately 74% of the Company's residents were under Type A life-care contracts, 9% were under Type B residential contracts, and 17% were under Type C residential contracts.

The gross contractual refund obligations under existing resident agreements were approximately \$100,812,000 and \$104,329,000 at December 31, 2025 and 2024, respectively.

Obligation to Provide Future Services

The Company engages an independent actuary once every three years to calculate the present value of the net cost of future services and the use of facilities to be provided to current residents and compares that amount with the balance of deferred revenue from entrance fees. Based upon the last calculation performed (as of December 31, 2023), the present value of the net cost of future services and the use of facilities, based on a discount rate of 5%, did not exceed the balance of deferred revenue from entrance fees. Based upon this calculation, and the analysis of management, no liability for the obligation to provide future services has been recorded at December 31, 2025 and 2024.

Charitable Gift Annuity Obligations

The Company entered into arrangements with certain donors whereby the donor contributes assets to the Company and, in return, is entitled to receive a series of annuity payments. Under the terms of the arrangements, the estimated liability is to be held in a segregated fund or account until the death of the donor. Upon receipt, the contribution is recorded as a restricted asset, and the present value of the future annuity payments is recorded as a liability. The difference between the asset and the liability is reported as a contribution with donor restriction or directly to other revenue on the statements of operations and changes in net assets if the gift is designated for a purpose without donor restriction.

Acts Communities of Maryland, Inc.

Notes to Financial Statements

Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor restrictions. All revenue not restricted by donors is accounted for in net assets without donor restriction.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. All revenues restricted by donors as to either timing or purpose of the related expenditures or required to be maintained in perpetuity as a source of investment income are accounted for in net assets with donor restrictions. When a donor restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Resident Services Revenues

Resident services revenues are reported at the amount that reflects the consideration the Company expects to receive in exchange for the services provided. These amounts are due from residents or third-party payors and include variable consideration for retroactive adjustments, if any, under reimbursement programs. Performance obligations are determined based on the nature of the services provided. Resident services revenues are recognized as performance obligations are satisfied.

Payment terms and conditions for the Company's resident agreements vary by contract type and payor source, although terms generally include payment to be made within 30 days. Resident services revenues for recurring and routine monthly services due from private pay residents are generally billed monthly in advance. Resident services revenues for ancillary services due from private pay residents are generally billed monthly in arrears. Resident services revenues due from Medicare, Medicaid and other third-party payor programs are billed monthly in arrears.

Resident services revenues are primarily comprised of skilled care, assisted living and residential living revenue streams, which are primarily derived from providing nursing, assisted living and housing services to residents at a stated daily or monthly fee, net of any explicit or implicit price concessions. The Company has determined that the services included in the stated daily or monthly fee for each level of care represents a series of distinct services that have the same timing and pattern of transfer. Therefore, the Company considers the services provided to residents in each level of care to be one performance obligation which is satisfied over time as services are provided. As such, skilled care, assisted living and residential living revenues are recognized on a daily or month-to-month basis as services are rendered.

The Company receives revenue for services under third-party payor programs, including Medicare, Medicaid and other third-party payors. Settlements with third-party payors for retroactive adjustments due to audits, reviews or investigations are included in the determination of the estimated transaction price for providing services. The Company estimates the transaction price based on the terms of the contract, correspondence with the third-party payor and historical payment trends and retroactive adjustments are recognized in future periods as final settlements are determined.

Contract Balances

Contract assets represent the Company's right to consideration in exchange for goods or services that the Company has transferred to a resident when that right is conditioned on something other than the passage of time (for example, the Company's future performance). The Company had no contract assets as of December 31, 2025, 2024 and 2023. Contract liabilities represent the Company's obligation to transfer goods or services to a resident for which the Company has received consideration (or the amount is due) from the resident. The Company's beginning and ending contract liabilities are separately presented on the balance sheets as of December 31, 2025 and 2024 as deferred revenues from entrance fees. Deferred revenues from entrance fees were \$105,720,000 as of December 31, 2023.

Income Taxes

The Company is a not-for-profit corporation exempt from federal income taxes on exempt income under Section 501(a) of the Internal Revenue Code and other income taxes under similar statutes. Accordingly, no provision for income taxes has been recorded in the financial statements.

Measure of Operations and Performance Indicator

The statements of operations and changes in net assets include the determination of operating income and net operating income (the performance indicator). Operating income includes only those operating revenues and expenses that are an integral part of the Company's program activities and net assets released from donor restrictions to provide resident services. Net operating income includes all operating activities, as well as changes in unrealized gains and losses on investments, other valuation adjustment and net gain on nonoperating events.

Changes in net assets without donor restrictions which are excluded from the determination of the performance indicator, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which by donor restriction were to be used for the purposes of acquiring such assets, if any).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Company evaluated subsequent events for recognition or disclosure through April 29, 2026, the date the financial statements were issued.

Total	<u>\$ 25,138</u>	<u>\$ 26,136</u>

The Company has other assets restricted as to use: state reserves, donor-restricted funds and debt related reserves. These amounts have been excluded from the amounts above.

As part of the Company's liquidity management, cash in excess of daily requirements is invested in short-term investments and money market funds. The Company may designate a portion of any operating surplus to a general reserve. This fund may be drawn upon to meet unexpected liquidity needs.

Donor-restricted funds of \$6,527,000 and \$6,394,000 at December 31, 2025 and 2024, respectively, can be made available based on the passage of time or other events specified by the donors.

Additionally, the Company maintains a \$10,000,000 available line of credit, as discussed in more detail in Note 7.

4. Investments, Fair Value Measurements and Financial Instruments

Fair Value Measurements

The Company measures its investments at fair value on a recurring basis in accordance with accounting principles generally accepted in the United States of America.

Fair value is defined as the price that would be received to sell an asset or the price that would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. The framework that the authoritative guidance establishes for measuring fair value includes a hierarchy used to classify the inputs used in measuring fair value. The hierarchy prioritizes the inputs used in determining valuations into three levels. The level in the fair value hierarchy within which the fair value measurement falls is determined based on the lowest level input that is significant to the fair value measurement. The levels of the fair value hierarchy are as follows:

Level 1 - Fair value is based on unadjusted quoted prices in active markets that are accessible to the Company for identical assets or liabilities. These generally provide the most reliable evidence and are used to measure fair value whenever available.

Level 2 - Fair value is based on significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset or liability through corroboration with observable market data. Level 2 inputs include quoted market prices in active markets for similar assets or liabilities, quoted market prices in markets that are not active for identical or similar assets or liabilities and other observable inputs.

Level 3 - Fair value would be based on significant unobservable inputs. Examples of valuation methodologies that would result in Level 3 classification include option pricing models, discounted cash flows and other similar techniques.

7. Short-Term Indebtedness

The Company has a \$10,000,000 unsecured revolving line of credit with ACTS. The annual interest rate is based on the ACTS cost of capital (5.1% at December 31, 2025). There were no outstanding borrowings at December 31, 2025 and 2024.

8. Long-Term Indebtedness

The Company's long-term indebtedness has been issued under a Master Trust Indenture, dated February 1, 2020, as supplemented which includes a lien on the underlying property and assignment of pledged revenues, as defined. The Company is also required to meet certain financial covenants.

The Company's long-term indebtedness consists of the following at December 31:

Total net assets with donor restrictions	<u>\$ 13,161</u>	<u>\$ 13,025</u>

The income distributions from net assets held in perpetuity are available to fund financial assistance to residents and other donor restricted purposes.

Net assets were released from restrictions by incurring expenses satisfying the restricted purpose, or by occurrence of other events specified by donors.

10. Endowments

The Company's endowments consist of funds established for various donor-restricted purposes. Its endowments include donor restricted endowment funds only. Net assets associated with endowment funds are classified and reported based on the existence or absence of donor imposed restrictions.

Interpretation of Relevant Law

The Company has interpreted the relevant Maryland law as requiring the preservation of the fair value of the original gift as of the gift date of the donor restricted endowment funds to be held in perpetuity absent explicit donor stipulations to the contrary. As a result of this interpretation, the Company classifies as net assets with donor restriction to be held in perpetuity (a) the original value of gifts donated to be held in perpetuity, (b) the original value of subsequent gifts to the endowment to be held in perpetuity and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor restricted endowment funds that is not classified to be held in perpetuity is classified as endowment earnings with donor restrictions until those amounts are appropriated for expenditure by the Company in a manner consistent with the standard of prudence prescribed by the relevant Maryland law.

Unless specifically defined, the Company considers the following factors when a donor restricted endowment fund is required by donor stipulation to accumulate or appropriate endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Company and the donor restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and appreciation of investments
- (6) Other resources of the Company
- (7) The investment policies of the Company

Funds With Deficiencies

The fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or the relevant state law requires the Company to retain as a fund of perpetual duration. These deficiencies are reported as net assets without donor restrictions. There were no deficiencies reported at December 31, 2025 and 2024.

Return Objectives and Risk Parameters

The Company has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowments. Endowment assets include those assets of donor restricted funds that the Company must hold in perpetuity. Endowment assets are invested in a manner that is intended to produce results that are measured against the price and yield results of the BofA Merrill Lynch three-month U.S. Treasury Bill Index (cash and cash equivalents), Bloomberg Barclays U.S. Aggregate Bond Index (fixed income securities) and the Standards and Poor's 500 Stock Index (equity securities) while assuming a moderate level of investment risk.

December 31, 2025 and 2024

Strategies Employed for Achieving Objectives

The Company relies on a long-term growth strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Company targets a diversified asset allocation to achieve its long-term return objectives within prudent risk constraints.

Endowment Spending Policy

The Company has a policy of appropriating net assets with donor restrictions for distribution as deemed prudent. The amount needed to fund the distributions will first be taken from the accumulated excess earnings from prior years, then from the accumulated net capital gains of endowment funds.

11. Resident Services Revenues

The Company disaggregates revenue from contracts with residents by type of service and payor source as this depicts the nature, amount, timing and uncertainty of its revenue and cash flows as affected by economic factors. Resident services revenues consist of the following for 2025 and 2024:

	2025

Notes to Financial Statements
December 31, 2025 and 2024

12. Retirement Plan

The Company participates in a 401(k) Plan (the ACTS 401(k) Plan) covering substantially all full-time employees. The ACTS 401(k) Plan allows for qualified employees to voluntarily contribute up to the Internal Revenue Service maximum. In accordance with the terms of the ACTS 401(k) Plan, the Company matches up to 100% of the first 3% of the employee's contribution, plus an additional 50% of the next 2% of the employee's contribution. Plan expense was \$766,000 in 2025 and \$782,000 in 2024.

13. Concentrations of Credit Risk

The Company grants credit without collateral to its residents, some of whom are insured under third-party payor arrangements, related to providing residential and healthcare related services.

The Company maintains cash accounts, which, at times, may exceed federally insured limits. The Company has not experienced any losses resulting from this, and management believes it is not subject to any significant credit risk related to cash accounts.

14. Commitments and Contingencies

Senior Living Services Industry

The senior living services industry is subject to numerous laws, regulations and administrative directives of federal, state and local governments and agencies. Compliance is subject to future government review and interpretation as well as regulatory actions unknown or unasserted at this time. Government activity continues to increase with respect to investigations and allegations concerning possible violations by healthcare providers of fraud and abuse statutes and regulations, which could result in the imposition of significant fines and penalties as well as significant repayments for resident services previously billed. Management is not aware of any material incidents of noncompliance.

Construction Agreements

The Company entered into construction agreements for certain development and renovation activities at various communities. Commitments were approximately \$1,268,000 as of December 31, 2025.

Statutory Requirement

Under State of Maryland statutes through the Maryland Department of Aging, the Company must maintain operating reserve requirements that are equal to 25% of total operating expenses, exclusive of depreciation and amortization, for the most recent fiscal year. The combined statutory minimum liquid reserve requirement at December 31, 2025 and 2024 was \$21,088,000 and \$20,406,000, respectively. At December 31, 2025 and 2024, the total combined cash and cash equivalents and investments without donor restrictions were \$22,219,000 and \$21,189,000, respectively.

Litigation

The Company operates in an industry where various suits and claims arise in the normal course of business. The Company maintains general and professional liability coverage on a claims-made basis through a commercial insurance carrier. Management is not currently aware of any claims that have been or will be asserted that will, after consideration of applicable insurance coverages, have a material adverse effect on the financial statements.

15. Related-Party Transactions

The Company entered into a Management, Marketing and Development Agreement (the Agreement) with ARLCM and AMS (collectively, Manager) which is automatically renewable for one year on each anniversary date. Management fees are equal to 4% of gross revenues, plus any out-of-pocket expenses. Marketing fees are equal to 4% of gross entrance fee proceeds, plus any out-of-pocket expenses. Development fees are equal to 4% of project costs for qualified capital projects. In addition, certain key employees of the Company are employees of Manager; the Company reimburses Manager for the related salary and benefit costs. Total fees incurred under the Agreement were \$7,535,000 in 2025 and \$7,329,000 in 2024. Amounts payable in connection with the Agreement are included in the balance sheets as due to affiliated organizations and were \$12,692,000 and \$12,008,000 at December 31, 2025 and 2024, respectively. These balances are intended to be settled currently in the normal course of business.

At December 31, 2025 and 2024, the Company also had net balances due to ACTS and affiliates of \$8,057,000 and \$5,609,000, respectively. These amounts are included in the balance sheets as due to affiliated organizations and are intended to be settled currently in the normal course of business.

The Company participates with ARLCM in self-insured workers compensation and health insurance programs. In accordance with the terms of the Agreement, the Company pays ARLCM a fixed premium for its participation in these programs, which is adjusted from time to time. Premiums paid in connection with these programs were \$4,277,000 in 2025 and \$3,914,000 in 2024.

16. Functional Expenses

The Company provides housing, healthcare and other related services to residents within its geographic locations. The financial statements report certain expense categories that are attributable to more than one program service or support function. Therefore, these expenses require an allocation on a reasonable basis that is consistently applied. Costs not directly attributable to a function, including depreciation and amortization and other occupancy costs, are allocated to a function based on a usage of space.

Expenses relating to providing these services are approximately as follows for 2025 and 2024:
