

Honor Societies of Acts Legacy Foundation

The newly established **Centennial Society** and the **Circle of Loving-Kindness Honor Society** are two distinguished recognition programs of Acts Legacy Foundation. These societies celebrate individuals whose giving has made a lasting impact on their communities, serving as a true inspiration for others to embrace Acts' culture of generosity.

Those who include Acts in their estate plans are further invited to join the **Centennial Society**. Estate planning includes making a bequest through will or trust, or naming Acts as a beneficiary designation of an IRA, life insurance policy, investment account, or donor advised fund.

We are deeply grateful to the inaugural members of **The Centennial Society** listed below.
