Fort Washington Estates Floor Plans & Virtual Tours

Whether you're looking for a one bedroom apartment or something more spacious like a two bedroom apartment home, you can find it at Fort Washington Estates. And if you should ever need a higher level of care, our Fort Washington retirement community also offers continuing care accommodations of assisted living suites and skilled care beds.

The Acts Signature Residence Program at Fort Washington Estates allows you to select from different floor plans for the same residence. Choose from:

- **Versatile** - modifies a bedroom to create a space whose use is limited only by your imagination. Create a den, library, home office, media/music room, art studio, or other use that suits your lifestyle and space needs.
- **Contemporary** - open up the kitchen and living space to create a larger kitchen and a great room for relaxing and entertaining.
- **Traditional** - provides the maximum number of bedrooms for each design, with modern features and finishes in a more traditional floor plan.

After you choose a floor plan, you will meet with your Move-In Coordinator. You and the coordinator will review the variety of finishes available, helping you transform your new residence and create your new home.
