Our Riverside Retirement Community in Chestertown, MD

Heron Point, an affiliate of Acts, is a Chestertown, MD senior community whose setting and philosophy offer stimulating opportunities for physical, mental, cultural, and spiritual well being. A 66-acre tidewater treasure, Heron Point hugs the unspoiled shoreline of the Chester River, a tributary to the Chesapeake Bay, on Maryland's Eastern Shore. There are abundant opportunities for water-based recreation; residents can sail the Chester River westward to the Chesapeake Bay or launch smaller craft from our shores and explore the area. We know we have something special here, and we believe you will think so, too.
