## Why Retirees Love Alabama

**Low Cost of Living:** According to CNBC, Alabama has one of the lowest costs of living in the United States. That means retirees have more money to spend on fun activities and hobbies that they wish to pursue in retirement.

**Great Weather:** Alabama has an average annual temperature of 65 degrees. If you've spent your whole life up north, moving to Magnolia Trace means you can say goodbye to blizzards and punishing winter storms for good!

**Tax-Friendly:** Not only is the average cost of living less in Alabama, but the state is tax-friendly towards retirees. SmartAsset.com has a breakdown of what taxes you can expect to pay.

Alabama is particularly friendly to veterans, and offers several programs and benefits for those who have served in the military.
