

Acts Legacy Foundation

Annual Giving

Since most people make annual charitable contributions, year-end is a great time to consider your gift and estate plans. End-of-year donations to Acts Legacy Foundation are crucial in meeting annual needs. Remember, to be eligible for tax-deductions in April, your charitable donations must be completed by December 31!

Click here to make your [Annual Gift](#).

Consider these Ways to Give:

- **Cash gifts**, designated to the fund of your choice, are tax-deductible as allowed by law.
- Gifts made with assets other than cash, such as appreciated **stocks or bonds** may offer extra tax benefits.
- Since the **IRA Charitable Rollover** was made permanent, you can designate your distribution to Acts Legacy Foundation.
- **Tribute Gifts** are perfect for the person who has everything. Your gift in honor or memory of someone is a meaningful holiday gift.

Maximize your Impact!

- Many companies offer **Matching Gifts** for donations made by their employees and retirees. Contact your company to see if your gift might be matched.
- Make a **Recurring Gift**. Donations can be automatically billed to your credit card each month. Acts Retirement Life Communities residents can add a monthly donation to their maintenance statement.
- [Giving Tuesday](#) is November 27, 2018, the day the world joins for a meaningful purpose: to celebrate and encourage giving. Find out more at givingtuesday.org.
- **AmazonSmile** is a unique way to support Acts Retirement-Life Communities. Start your shopping at amazonsmile.com in support of Acts. Amazon will donate 0.5% of

your total purchase.

Acts Legacy Foundation appreciates your support throughout the year. Please feel free to contact us if you have questions or would like more information about [Acts Legacy Foundation](#) or [Ways to Give](#).
