LEGACY FOUNDATION
Where Loving-Kindness Gives

Acts Family of Charitable Funds

The **Acts Family of Charitable Funds** support benevolence, program, and mission development objectives core to the Acts Retirement-Life Communities mission.

The Acts Legacy Foundation Board of Directors encourages your support of the Acts Samaritan Fund, The Reverend George R. Gunn, Jr. Disciple Fund, Acts Mission Development Funds, and Acts Employee Catastrophic Fund as priority needs.

Acts Samaritan Fund

This fund provides financial assistance to residents facing unexpected financial hardship, helping ensure they can continue receiving the services and support they need.

Acts Employee Catastrophic Assistance Fund

With more than 8,600 team members, Acts anticipates that some individuals may experience a catastrophic life event. This fund provides financial assistance to team members facing these unique circumstances.

We are GRATEFUL for the 215 Acts team members whose 2025 monthly payroll support to the Acts Employee Catastrophic Fund exceeded $49,700. Thank you.

The Reverend George R. Gunn, Jr. Disciple Fund

A unique program for retired members of the clergy of all faiths with limited personal resources. This fund provides assistance to reduce entrance and/or monthly fees for residency in an Acts community.

Acts Mission Development Funds

Capital Campaigns in targeted communities support improvements and expansion projects. Gifts for this purpose are allocated to selected community campaigns.

Memory Support Services Fund

This fund enables the acquisition of state-of-the art equipment, team member education, community expansion and improvement, and ongoing support for dementia programs and services.

J. Mark Vanderbeck Memorial Scholarship Fund

This scholarship, awarded annually to full-time team members at all levels of Acts, was established in 2017 in memory of Mark's legacy as former Acts CEO. This fund supports the educational and career development of Acts team members and covers up to $10,000 of college or graduate school tuition annually.

Acts Corporate University Fund

Acts Corporate University (ACU) provides education and professional development programs to team members at all levels, promoting enhanced job performance and career growth opportunities. Acts Corporate University Fund supports the activities of ACU in enhancing job skills, promoting growth, identifying career paths, and delivering the highest level of service to residents.

Acts Center for Applied Research (ACAR) Fund

This fund supports Acts and related academic and industry groups in research development activities focused on enhancing the lives of seniors. ACAR partners with universities and academic entities across the globe to engage in applied research focused on the health, well-being, and future of seniors.

Acts Innovation Fund

The Acts Innovation Fund recognizes the importance of innovation throughout the organization and provides financial support for the development of new ideas related to programs and services focused on residents, along with team member experiences.

Acts Centennial Fund

Having celebrated a legacy in 2022 with 50 Years of Service, Acts approaches its Century of Service by creating an Operating Endowment for the future good of residents and the Acts Organization. The Centennial Fund will provide operational support and enhanced charitable opportunities from the proceeds of these earnings.

Dear Friends & Supporters,

There is something truly special about those who step forward to support others, not because they have to, but because they genuinely care. You are one of those caring individuals, and on behalf of everyone at the **Acts Legacy Foundation**, we want you to know just how deeply your generosity has touched the lives of those we serve.

Each contribution that you make carries meaning far beyond its dollar amount. It represents your faith in what's possible when people come together with purpose. We take that trust seriously, and we work hard to honor it. Every resource entrusted to the Foundation is directed thoughtfully toward programs that improve health and well-being, spaces that feel like home, and opportunities that help both residents and team members grow, connect, and flourish.

Looking back on this past year, we are genuinely proud of what your support has made possible. We've expanded health and wellness initiatives, created more vibrant and welcoming living environments, and opened new doors for personal growth and enrichment that add real depth and joy to everyday life across our communities, while continuing to assist those who have outlived their resources. All of this happened thanks to the generosity of our Acts family and supporters.

As we look to the year ahead, we do so with real optimism and gratitude that you are walking this path alongside us. The Acts Legacy Foundation exists to be a steady source of strength and possibility for every person who calls an Acts community home or workplace. With your continued partnership, we are excited about everything still to come — new programs, deeper connections, and even greater impact.

Thank you for being part of something that matters. Thank you for believing in the dignity and potential of every person we serve. Together, we are building a legacy of kindness, compassion, and service that will benefit generations to come.

With genuine gratitude,

Marvin Mashner

Giving in the Spirit of Loving-Kindness

Through the generosity of donors and community supporters, **Acts Legacy Foundation** and its affiliate entities, continue to transform lives through dynamic programs and projects that advance our mission. In 2025, more than **3,700** generous donors contributed over **$5.7 million**.

Acts Legacy Foundation 2025

Cash	+	Bequests	+	All Other	=	Total
$3,776,457		$1,340,582		$643,308		$5,760,347

Donors dedicated approximately **$2.2 million** to fulfilling resident benevolence commitments, while over **$1.9 million** funded campus enhancements and wellness initiatives that enrich residents' lives across the Acts communities. Furthermore, the Foundation allocated more than **$440,000** to charitable funds benefiting team members, providing emergency assistance, scholarships, and educational opportunities. These initiatives underscore our steadfast commitment to holistic community enrichment.

Matthews Glen

How I Give — and Why I Encourage Others to Do the Same.

Matthews Glen resident Lou Roberts has been a strong supporter of her community since becoming a resident in 2020. Her very first gift to Acts Legacy Foundation was through a Charitable Gift Annuity (CGA) to benefit their art studio. This type of gift allows donors to direct assets to Acts in exchange for a fixed lifetime income and partial tax deduction.

In addition to her CGA, Ms. Roberts generously donates her IRA Required Minimum Distribution (RMD) to Acts each year. She believes that contributing an RMD to Acts is a simple, thoughtful, and "tax-smart" way to meet a financial obligation while making a real difference at Matthews Glen. Lou's generosity has impacted her community's art studio, culinary program, and outdoor campus enhancements to name a few. She has been a member of the Foundation's Circle of Loving-Kindness Honor Society since 2021.

"The biggest reason I give to Acts is because of the impact I can make. I see firsthand the good work being done at Acts. Knowing that my RMD can directly support that mission makes the decision easy. It's been a blessing for me, and I hope others will consider it if they are able."

Acts Community Organizations Support

Acts Legacy Foundation celebrates community Residents Associations, Spiritual Life committees, community thrift stores and organizations whose contributions demonstrate a strong partnership with the mission of Acts. **In 2025 the following entities contributed $283,453 in gifts supporting community specific benevolence, community enrichment, and donor-funded community scholarship funds.**

Over the course of a few months, resident support — through Acts Legacy Foundation — exceeded $258,000 to help create a championship court enjoyed by strikers and spectators alike.

The Benevolent Funds of Acts

Acts Samaritan Fund

As Acts' primary benevolence fund, the Samaritan Fund helps residents facing unexpected financial hardship continue receiving the care and services they need. When community Samaritan Funds are insufficient, this general fund supplements the community in meeting the benevolent needs of their residents.

Acts Employee Catastrophic Fund

With more than 8,600 dedicated team members, Acts recognizes that unexpected hardships can affect anyone. Whether facing a catastrophic life event, personal crisis, or regional natural disaster, team members may find themselves in need of support. This fund provides financial assistance to those experiencing extraordinary financial challenges, helping them navigate difficult circumstances when it is needed most. **Contributions to this fund exceeded $70,000 in 2025.**

Lanier Village Estates Samaritan Brunch to benefit the Samaritan Fund

Acts Legacy Foundation distributed over $57,000 in assistance to 27 team members in 16 communities.

Granite Farms Estates & Spring House Estates

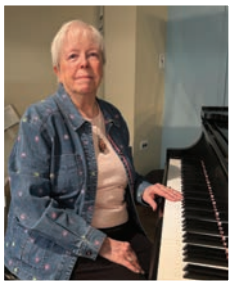

Generosity strikes a chord in the Northeast region!

At **Spring House Estates**, residents with a shared love of music quickly rallied behind an effort to secure a new piano for the community auditorium. Led by members of the Concert Forum Committee, residents raised nearly $20,000 in just two weeks through contributions to Acts Legacy Foundation. The auditorium echoed with the rich sounds of a new Yamaha hybrid piano, just in time for their May concert that delighted residents and performers alike.

In that same spirit of giving, **Granite Farms Estates** residents contributed more than $8,000 to sustain and strengthen the community's musical offerings. For resident Carol Hill, her involvement was deeply personal, starting with a connection to the community that began long before she became a resident. Her parents were among Granite Farms' original pioneers and her mother spent 22 years singing in the chorus. Carol continues that legacy of involvement today by serving on many committees and by creating the Granite Farms Estates Steinway Music Fund to enrich the arts in a place she calls home.

These initiatives highlight what is possible when communities unite around a shared purpose transforming collective generosity into a tangible reward for years to come.

Honor Societies of Acts Legacy Foundation

The newly established Centennial Society and the Circle of Loving-Kindness Honor Society are two distinguished recognition programs of Acts Legacy Foundation. These societies celebrate individuals whose giving has made a lasting impact on their communities, serving as a true inspiration for others to embrace Acts' culture of generosity.

Those who include Acts in their estate plans are further invited to join the **Centennial Society**. Estate planning includes making a bequest through will or trust, or naming Acts as a beneficiary designation of an IRA, life insurance policy, investment account, or donor advised fund.

We are deeply grateful to the inaugural members of **The Centennial Society** listed below.

St. Andrews Estates

Talent turns to Treasure for St. Andrews Estates Samaritan Fund.

What began as a simple act of Loving-Kindness making masks in 2020 has blossomed into a meaningful mission of creativity and generosity at **St. Andrews Estates**. The **St. Andrews Estates Quilters** — now a dedicated group of 12 residents — gather regularly to create beautiful, handcrafted quilts and sewn items from donated fabric that bring comfort, color, and connection to their community.

Since becoming an official group in 2023, the Quilters have transformed their talents into tangible impact. Through the sale of quilts and other handmade pieces, they have donated over **$31,000** to the **St. Andrews Estates Samaritan Fund**, securing their membership in the Foundation's Circle of Loving-Kindness Honor Society.

Their care also extends to honoring those who served. Through their **Quilts of Valor**, the group creates keepsakes for veterans of World War II, the Korean War, and the Vietnam War — quilts that families often treasure long after they are given.

As Carole Stephens beautifully shared, *"We get as much pleasure in seeing the cheerful and colorful quilts as the recipients do. We just love seeing the smiles on their faces."* The St. Andrews Estates Quilters continue to brighten lives and turn talent into treasure for the Samaritan Fund.

If you have included Acts in your estate plans, please let us know. We would be honored to recognize your generosity and welcome you into this community of compassionate supporters. Knowing your intentions allows Acts Legacy Foundation to ensure your wishes are honored as part of your legacy.

Please email the Foundation at **Foundation@actslife.org.**

Acts LEGACY FOUNDATION
Where Loving-Kindness Gives

Country House

One Estate Gift inspires specialized fitness programming at Country House.

When longtime residents Bill and Elyn Schmitz planned to remember **Country House** in their will, they dedicated their gift to the health and wellness of their fellow residents in WillowBrooke Court. This generous estate gift helped bring to life The Country House Fitness Studio, home to the Rock Steady Boxing program. Clinical studies show that Rock Steady Boxing can help individuals with Parkinson's disease improve gait, balance, strength, and overall quality of life.

Inspired by a shared commitment to supporting individuals affected by Parkinson's disease, Country House residents Joann Helmeczi and Kathy Sanders, along with their Parkinson's Support Group, championed efforts to bring this evidence based program to their community. Together, they raised an additional $13,500 to honor Bill and Ellyn's wishes.

Donor funding, through Acts Legacy Foundation, also supported the training and certification of Acts fitness trainers Debbie Heald and Michael Schmucker, ensuring the program's sustainability and quality.

This transformative gift from the Estate of Bill and Elyn Schmitz continues to strengthen the health and quality of life for residents today and into the future.

*deceased as of 12/31/25

Legacy Giving

Legacy Giving, through a provision in a will or trust or as a beneficiary to a retirement or donor advised fund, allows donors to ensure their passion and love for their community continues to live on. A legacy gift creates a far greater financial impact than they could have ever imagined. With gratitude, we recognize our Legacy donors below.

Lanier Village Estates

Lanier Village Estates proudly embraces The Rouxbe culinary program.

The Rouxbe Online Culinary School program offers culinary team members an opportunity to grow their skills and advance their careers through professional education. This donor funded program, stewarded by the Acts Legacy Foundation, blends online education with hands-on kitchen application allowing cooks to bring new techniques directly to Acts kitchens.

Lanier Village Estates is proud to be home to the first Rouxbe graduate among all Acts communities, marking an exciting milestone for both the community and the broader Acts organization. Lead Cook Brittney Gabbard, who began her Acts career as a café server in 2009, was the program's first graduate, earning a new chef coat and nine transferable credit hours toward her education.

Culinary Director Chad Whitehead is very excited about this formal, hands-on training opportunity for his team. He shares that new team members are often impressed that Acts offers structured culinary training, as many restaurants do not provide this level of professional development.

As momentum continues across Acts, three other communities have recognized graduates and fellow participants who are embracing the Rouxbe program. This investment in our culinary professionals enhances the resident experience and supports the Well-Being Initiatives across Acts.

Cokesbury Village

Creating Music and Motion for Wellness at Cokesbury Village.

For nearly a decade, the generosity of Acts Legacy Foundation donors has made it possible for residents of **WillowBrooke Court at Cokesbury Village** to enjoy weekly music therapy sessions that bring moments of joy, connection, and engagement to their days. Led by board-certified music therapist Cynthia Cordrey, these sessions offer a welcoming, interactive environment that encourages movement, stimulates memory, and nurtures emotional well-being. Residents are invited to take part in meaningful ways — whether by creating music together or tapping along to beloved, familiar songs that spark recognition and comfort.

The positive impact of this program is felt throughout the community and is deeply appreciated by residents, their families, and team members. ***"This remains one of the most requested engagement programs in WillowBrooke Court,"*** shares Life Enrichment Director James Walsh. Thanks to the continued support of dedicated donors, this treasured therapeutic experience enriches daily life and helps make WillowBrooke Court a true place of warmth and belonging.

Granite Farms Estates & Normandy Farms Estates

Celebrating the Impact of Tribute Gardens.

In the Northeast Region, residents at two communities enjoy outdoor, donor-funded landscapes transformed into meaningful places to honor loved ones and friends.

Through heartfelt donations, **Granite Farms Estates** residents came together to support the Berm & Birds garden, raising over $6,000 to create a peaceful, nature-focused retreat. This project was thoughtfully created in memory of resident Tom Reeves, whose passion for nature and dedication left a lasting impact on his community. A commemorative plaque — featuring artwork by resident and artist Judy Fala — adds a personal tribute to the space. Designed with native plantings, bird habitats, and seating areas, the garden serves as a meaningful reminder of Tom’s love for the environment and the community he helped shape.

Additionally, nearby residents at **Normandy Farms Estates** contributed more than $17,000 to help fund memorial benches and tree plantings across campus in memory of friends and fellow residents.

These donor-funded initiatives not only beautify the landscape but also strengthen a sense of Loving-Kindness in these communities.

Board of Directors

The Acts Legacy Foundation Board provides stewardship of donor funds and disburses them in response to urgent community needs, for specified projects that will improve the lives of residents, or to assist residents who may have outlived their available resources. This leadership is vital to ensure continued sound investment policies and adherence to donor designated restriction in the charitable programs.

Every Gift Makes A Difference

Acts Legacy Foundation, Inc. recommends you discuss charitable opportunities with your attorney, financial planner, tax advisor, and/or family members before making any substantial gift. If you itemize, your gift may be tax-deductible to the full extent of the law. The Foundation will use your gift for the designated purpose.

If this need no longer exists or is determined by the Board of Directors to no longer be prudent, then it may be applied to the area of greatest need. Investment returns for gifts with permanent restrictions (Endowed) and gifts for Capital Campaign related projects will remain with the principal for that purpose until the funds are required to fulfill your charitable intentions.

A total of 95% of your gift benefits your designated purpose, with the remaining 5% being used for administration of charitable programs.

Acts LEGACY FOUNDATION

Where Loving-Kindness Gives

Our Vision

Acts is an organization where Loving-Kindness and Christan ideals are practiced to meet the needs of those we serve.

Our Mission

Acts is committed to providing security and peace of mind to seniors by being a pre-eminent provider of retirement-life services, responsive to individual, social, personal, health and spiritual needs in a Christian atmosphere graced with Loving-Kindness, dignity, sensitivity, honesty, and respect without prejudice or preference.

EQUAL HOUSING OPPORTUNITY

Acts is a not-for-profit organization pledged to the letter and spirit of U.S. policy for the achievement of equal housing opportunity throughout the nation. We encourage and support programs in which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, familial status or national origin.

PET FRIENDLY
